AUSTRALIA & ISRAEL: A DIASPORIC, CULTURAL & POLITICAL RELATIONSHIP (HARDBACK)

[DOWNLOAD PDF](#)

Sussex Academic Press, United Kingdom, 2015. Hardback. Condition: New. Language: English. Brand new Book. Australia and the State of Israel have maintained a cordial if at times ambiguous relationship. The two countries are geographically isolated: strategic, economic and cultural interests lie increasingly with Asia for one, and with the US and the EU for the other. But for all that divides the two states, there is also much they share. Australia played an important role in the Jewish state's establishment in 1948, and is home to the most Zionist centered Jewish diaspora globally. Jewishness for most Australian Jews has been shaped and defined by engagement with and support for Israel. At the heart of this engagement is a small but thriving Israeli community within the larger multicultural Australia. Australia and Israel: A Diasporic, Cultural and Political relationship draws attention to the important historical and contemporary nexus between this diaspora and its imagined homeland. The collection also considers the ways in which these two states mobilise national myths and share environmental challenges. In recent time relations between the two states have been tested by the illegal use of Australian passports in 2010, the mysterious death of dual national Ben Zygier, and growing disquiet within the ranks of the Australian Labor Party and the Australian Greens over Israel's handling of the Israel-Palestinian conflict. One prominent world-wide issue is the Palestinian BDS (Boycotts, Divestments and Sanctions) movement, which has attracted sympathy and support that has brought about substantive differences of opinion regarding its legitimacy within the Jewish Australian community. These issues demonstrate the multifaceted and complex picture of two very different nations, that nevertheless share an abiding connection.
